**Drivers will be required to Sign up for points series before they can start collecting points.**

**We have decided to offer a team twist to this points series.**

**You can sign up as a 2-man team or as a single driver.**

**Teams will only be allowed to have 1 driver collect points, so if both drivers run the same event, only 1 driver from that team will be allowed to collect points, you must register which driver will collect points before the event starts. Teams don't need to run the same event together. Your team can split up and have one driver run one event and the other driver run the next. This is to help keep cars running throughout the summer at all events. Now as a team, you will have to split the prize money you might win.**

As a singles driver, you will be offered bonus points at some events to help a single driver compete with a team.

Points will be awarded with a twist as well at some events.

Sample- one event might be 1<sup>st</sup>- 8<sup>th</sup> with 8pts being 1<sup>st</sup> and stepping down to 8<sup>th</sup> being 1pt, another might be 1<sup>st</sup> -8<sup>th</sup> but a random drawing at drivers meeting on what place will receive which point value. We will also be awarding points for best painted cars (not wraps) Mad Dog points, some events will have bonus points. Bonus points will be things like random drawing at drivers meeting (all points series driver at event) drivers name in a bucket, we draw a name out, then we will draw from a second bucket with point values. Whoever will draw will get the bonus points that we draw on top of any points they should receive at that event depending on how they finish.

We want to bring back good old-fashioned fun to our county fair events and we feel this is a great start to accomplishing that.

Points structure will be listed in the next few weeks.
